

## Rigton

Straw | Moss | Fog | Canyon | North Sea

Canyon

Rigton plays with the spacing of a classic ticking stripe for a modern and updated look. Vertical lamb's wool stripes of varying weight run up the goods while a slubby linen filling yarn adds a subtle texture to the ground. The resulting fabric is clean and crisp. The Rigton palette allows for perfect coordination with other fabrics in the River Aire Collection and is appropriate for all types of upholstery applications.

fiber content: 65% linen, 35% lambs wool  
width: 60"  
repeat: 1" horizontal repeat  
abrasion: exceeds 25,000 cycles Martindale  
fire code: passes California Bulletin 117, Section E  
colors: 5
