

Bingley

Straw | Moss | Canyon | Fog | North Sea

Canyon

Bingley is woven in a broken faille weave which provides unexpected visual texture to this smooth, versatile fabric. Fine linen yarn with slight slubbing is shot through a soft lamb's wool warp, resulting in elegant horizontal movement. Bingley is ideal for upholstery of all types as well as drapery and wrapped wall panels.

fiber content: 65% linen, 35% lambs wool
width: 60"
repeat: none
abrasion: exceeds 25,000 cycles Martindale
fire code: passes California Bulletin 117, Section E
colors: 5
